## SUSTAINABILITY

We only serve good quality fish caught from sustainable & professionally managed fishing grounds.

Helping to care for our environment is important, that's why our takeaway packaging uses biodegradable materials & paper bags & our waste is used to help generate renewable energy.

All prices include VAT at current rate. All products subject to availability. Prices are subject to change without prior notice. Fish may contain small bones. (V) suitable for vegetarians. Fried food is cooked in a premium beef dripping for that traditional delicious flavour.

Allergen information for food & drink is available upon request, or scan QR code.
